BENCHMARK  
INTERNATIONAL

PitchBook has released their 2020 Annual Global League Tables, and Benchmark International is ranked the #1 Sell-Side Exclusive, Privately-Owned, M&A Advisors in the world. PitchBook is a leading financial data provider covering M&A, private equity, and venture capital deal activity.

“We are delighted to be recognized by PitchBook as one of the most active firms in the world,” said Greg Jackson, CEO of Benchmark International. “We remain grateful to our clients for their continued confidence in us and proud of our team’s unwavering dedication and success.”

*Executive Chairman, Steven Keane added “This important news solidifies Benchmark International’s standing in the world as a true market leader in the mergers and acquisitions community. It is also a “benchmark” for our company, which was founded in 2008 and remains in private ownership, knowing that our talented team can only continue to make strides from here and carry out our mission to accomplish great things for our clients. We add this recognition to our long and growing list of accomplishments.”*

PitchBook’s Global League Tables are a comprehensive report on private equity and venture capital activity worldwide for the year. They are compiled using the count of completed deals for the specified deal type, region, and other criteria. The listing only includes publicly disclosed transactions and/or those confirmed by PitchBook’s primary research team.

The complete rankings (which include publicly owned and buy-side advisors) can be viewed [here](#). Simply choose “M&A Advisors” and “Investment Banks” from the drop-down menu.

You can also view PitchBook’s profile of our company, which lists our services to companies, investment preferences, team, board members, and subsidiaries [here](#).
